

Updated in the latest version 3.3:

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Objective – **1.1.1 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Key definitions – **1.1.17 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Interpretation of controls – **1.1.45 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection References – **1.1.61 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection References – **1.1.62 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Rationale & Controls – **1.1.63.C.01 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Rationale & Controls – **1.1.64.C.01 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Rationale & Controls – **1.1.66.R.02 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Rationale & Controls – **1.1.66.C.01 - Content update**

(Paragraph) Chapter 1. About information security : Section 1.1. Understanding and using this Manual : SubSection Rationale & Controls **1.1.68.C.01 - Content update**

(Paragraph) Chapter 2. Information Security within Government : Section 2.3. Approach to Cloud Services : SubSection References **2.3.18 - Content update**

(Paragraph) Chapter 2. Information Security within Government : Section 2.3. Approach to Cloud Services : SubSection Rationale & Controls **2.3.23.R.01 - Content update**

(Paragraph) Chapter 4. System Certification and Accreditation : Section 4.1. The Certification and Accreditation Process : SubSection System Certification and Accreditation Diagram **4.1.30 – Content update**

(Paragraph) Chapter 4. System Certification and Accreditation : Section 4.3. Conducting Audits : SubSection Rationale & Controls **4.3.18.C.02 – Content update**

(Paragraph) Chapter 5. Information security documentation : Section 5.1. Documentation Fundamentals : SubSection Context **5.1.5 – Table update**

(Paragraph) Chapter 5. Information security documentation : Section 5.8. Independent Assurance Reports : SubSection Other Guidance **5.8.50 - Content update**

(Paragraph) Chapter 5. Information security documentation : Section 5.8. Independent Assurance Reports : SubSection Other Guidance **5.8.51 - Content update**

(Paragraph) Chapter 5. Information security documentation : Section 5.8. Independent Assurance Reports : SubSection Other Guidance **5.8.52 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 5. Information security documentation : Section 5.8. Independent Assurance Reports : SubSection Other Guidance **5.8.53 - Content update**

(Paragraph) Chapter 5. Information security documentation : Section 5.8. Independent Assurance Reports : SubSection Other Guidance **5.8.54 - Content update**

(Paragraph) Chapter 5. Information security documentation : Section 5.8. Independent Assurance Reports : SubSection References – Assurance Guidance -**5.8.59 – NEW references added**

(Paragraph) Chapter 6. Information security monitoring : Section 6.2. Vulnerability Analysis : SubSection Rationale & Controls **6.2.5.C.01 - Content update**

(Paragraph) Chapter 6. Information security monitoring : Section 6.4. Business Continuity and Disaster Recovery : SubSection Rationale & Controls **6.4.5.R.01 - Content update**

(Paragraph) Chapter 6. Information security monitoring : Section 6.4. Business Continuity and Disaster Recovery : SubSection Rationale & Controls **6.4.5.C.01 - Content update**

Chapter 7 – Information Security Incidents - REVISED

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Objective **7.1.1 - Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Context **7.1.2 - Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Context **7.1.3 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Context **7.1.4 - Content update**

(SubSection) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection References **7.1.5 – NEW reference table added**

***NUMBERING changes occur**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection PSR references **7.1.6 – Content updated**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Rationale & Controls **7.1.7.R.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Rationale & Controls **7.1.7.R.02 – NEW Rationale**

***NUMBERING changes occur**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Rationale & Controls **7.1.7.R.05 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Rationale & Controls **7.1.7.C.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Rationale & Controls **7.1.7.C.02 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.1. Detecting Information Security Incidents : SubSection Rationale & Controls **7.1.7.C.03 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Objective **7.2.1 – Content updated**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Objective **7.2.2 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.3 – Content updated**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.4 – NEW paragraph**

***NUMBERING changes occur**

(Block) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context – **Subheading updated**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.5– Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.6– Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.7– NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.7 – NEW paragraph**

(Block) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context – **NEW Subheading – Historical Notes**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.8 – NEW paragraph**

(Block) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context – **NEW Subheading - Background**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.9 – NEW paragraph**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.10 – NEW paragraph**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.11 – NEW paragraph**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.12 – NEW paragraph**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.13 – NEW paragraph**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Context **7.2.14 – NEW paragraph**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Rationale & Controls **7.2.24.C.01 – NEW Control**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.2. Reporting Information Security Incidents : SubSection Rationale & Controls **7.2.25.C.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Objective **7.3.1 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Context **7.3.2 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.8.R.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.8.R.04 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.8.C.03 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.9.R.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.9.R.02 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.9.C.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.11.R.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.12.R.01 – Content update**

(Paragraph) Chapter 7. Information Security Incidents : Section 7.3. Managing Information Security Incidents : SubSection Rationale & Controls **7.3.12.C.01 – Content update**

(Paragraph) Chapter 8. Physical Security : Section 8.1. Facilities : SubSection Rationale & Controls **8.1.11.C.02 – Content update**

(Paragraph) Chapter 8. Physical Security : Section 8.2. Servers And Network Devices : SubSection Context **8.2.3 – Content update (PSR references)**

(Paragraph) Chapter 8. Physical Security : Section 8.2. Servers And Network Devices : SubSection Context **8.2.4 – Content update (PSR references)**

(Paragraph) Chapter 8. Physical Security : Section 8.2. Servers And Network Devices : SubSection Rationale & Controls **8.2.5.R.02 – NEW Rationale**

(Paragraph) Chapter 8. Physical Security : Section 8.2. Servers And Network Devices : SubSection Rationale & Controls **8.2.5.C.02 REMOVED**

(Paragraph) Chapter 9. Personnel Security : Section 9.1. Information Security Awareness and Training : SubSection Rationale & Controls **9.1.4.R.01 – Content update**

(Paragraph) Chapter 9. Personnel Security : Section 9.1. Information Security Awareness and Training : SubSection Rationale & Controls **9.1.4.C.01 – Content update**

(Paragraph) Chapter 9. Personnel Security : Section 9.1. Information Security Awareness and Training : SubSection Rationale & Controls **9.1.5.C.01 – Content update**

(Paragraph) Chapter 9. Personnel Security : Section 9.1. Information Security Awareness and Training : SubSection Rationale & Controls **9.1.6.C.01 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.1. Cable Management Fundamentals : SubSection Objective **10.1.1 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.1. Cable Management Fundamentals : SubSection Context **10.1.32 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.1. Cable Management Fundamentals : SubSection Rationale & Controls **10.1.51.R.01 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.2. Cable Management for Non-Shared Government Facilities : SubSection Context **10.2.2 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.2. Cable Management for Non-Shared Government Facilities : SubSection Rationale & Controls **10.2.9.R.01 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.3. Cable Management for Shared Government Facilities : SubSection Context **10.3.2 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.3. Cable Management for Shared Government Facilities : SubSection Rationale & Controls **10.3.12.R.01 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.4. Cable Management for Shared Non-Government Facilities : SubSection Rationale & Controls **10.4.12.R.01 – Content update**

(Section) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks - **Section Heading Updated**

(Paragraph) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Objective **10.6.1 – Content update**

(Paragraph) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Context **10.6.18 – Diagram updated**

(Block) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Context **NEW Subheading – Cable Runs**

(Paragraph) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Context **10.6.19 - NEW paragraph**

(Block) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Context **NEW Subheading – Access to BLACK equipment and components by uncleared staff and contractors**

(Paragraph) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Context **10.6.20 - NEW paragraph**

(Paragraph) Chapter 10. Infrastructure : Section 10.6. Patch Panels, Patch Cables and Racks : SubSection Context **10.6.21 - NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 11. Communications Systems and Devices : Section 11.5. Personal Wearable Devices : SubSection Rationale & Controls **11.5.16.R.02 – NEW Rationale**

(Paragraph) Chapter 11. Communications Systems and Devices : Section 11.5. Personal Wearable Devices : SubSection Rationale & Controls **11.5.16.C.03 – Content update**

(Paragraph) Chapter 12. Product Security : Section 12.4. Product Patching and Updating : SubSection Rationale & Controls **12.4.6.C.01 – Content update**

(Paragraph) Chapter 12. Product Security : Section 12.4. Product Patching and Updating : SubSection Rationale & Controls **12.4.7.R.01 – Content update**

(Paragraph) Chapter 12. Product Security : Section 12.4. Product Patching and Updating : SubSection Rationale & Controls **12.4.7.R.02 – NEW Rationale**

(Paragraph) Chapter 12. Product Security : Section 12.4. Product Patching and Updating : SubSection Rationale & Controls **12.4.7.C.01 – Content update**

(Paragraph) Chapter 12. Product Security : Section 12.7. Supply Chain : SubSection Rationale & Controls **12.7.21.C.01 – Content update**

(Paragraph) Chapter 13. Media Management, Decommissioning and Disposal : Section 13.1. System Decommissioning : SubSection Rationale & Controls **13.1.10.C.01 – Content update**

(Block) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **NEW Subheading – Passwords and password storage**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **16.1.13 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **16.1.14 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **16.1.15 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **16.1.16 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **16.1.17 – NEW paragraph**

(Block) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **NEW Subheading – Password character set limitations**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication : SubSection Context **16.1.18 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.19 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.20– NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.21 – NEW paragraph**

(Block) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **NEW Subheading - Hashing**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.22 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.23 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.24 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.25 – NEW paragraph**

(Block) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **NEW Subheading - Salting**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.26 – NEW paragraph**

(Block) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **NEW Subheading – Key Stretching**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.27 – NEW paragraph**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Context **16.1.28 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection References – **NEW references added**

(Block) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Rationale & Controls **NEW Subheading - Hashing**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Rationale & Controls **16.1.38.R.01 - NEW Rationale**

(Paragraph) Chapter 16. Access Control : Section 16.1. Identification and Authentication :
SubSection Rationale & Controls **16.1.38.C.01 - NEW Control**

***NUMBERING changes occur**

(Paragraph) Chapter 16. Access Control : Section 16.5. Event Logging and Auditing :
SubSection References

(Paragraph) Chapter 17. Cryptography : Section 17.1. Cryptographic Fundamentals :
SubSection Rationale & Controls **17.1.21.R.02 – Content update**

(Paragraph) Chapter 17. Cryptography : Section 17.1. Cryptographic Fundamentals :
SubSection Rationale & Controls **17.1.21.C.02 – Content update**

(Block) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Context **NEW Subheading - Salting**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Context **17.2.13 – NEW paragraph**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Context **17.2.14 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection References – **NEW references added**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Rationale & Controls **17.2.22.C.02 – Content update**

(Block) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Rationale & Controls **NEW Subheading - Salts**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Rationale & Controls **17.2.25.R.01 - NEW Rationale**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Rationale & Controls **17.2.25.R.02 - NEW Rationale**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms :
SubSection Rationale & Controls **17.2.25.C.01 - NEW Control**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms : SubSection Rationale & Controls **17.2.25.C.02 - NEW Control**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms : SubSection Rationale & Controls **17.2.25.C.03 - NEW Control**

***NUMBERING changes occur**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms : SubSection Rationale & Controls **17.2.26.R.01 – Content update**

(Paragraph) Chapter 17. Cryptography : Section 17.2. Approved Cryptographic Algorithms : SubSection Rationale & Controls **17.2.26.C.01 – Content update**

(Paragraph) Chapter 17. Cryptography : Section 17.5. Secure Shell : SubSection Rationale & Controls **17.5.9.C.01 – Content update**

(Paragraph) Chapter 18. Network security : Section 18.2. Wireless Local Area Networks : SubSection Rationale & Controls **18.2.23.R.01 – Content update**

(Paragraph) Chapter 18. Network security : Section 18.2. Wireless Local Area Networks : SubSection Rationale & Controls **18.2.24.R.01 – Content update**

(Paragraph) Chapter 18. Network security : Section 18.2. Wireless Local Area Networks : SubSection Rationale & Controls **18.2.33.C.01 – Content update**

(SubSection) Chapter 18. Network security : Section 18.3. Video & Telephony Conferencing and Internet Protocol Telephony : SubSection Usage of softphones, webcams and similar sound and video devices –**Subheading updated**

(SubSection) Chapter 18. Network security : Section 18.3. Video & Telephony Conferencing and Internet Protocol Telephony : SubSection Workstations using USB softphones, webcams and similar sound and video devices – **Subheading updated**

(Paragraph) Chapter 18. Network security : Section 18.3. Video & Telephony Conferencing and Internet Protocol Telephony : SubSection Rationale & Controls **18.3.17.C.01 – Content update**

(SubSection) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Risks and Threats – **Subheading updated**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Risks and Threats **19.5.4 – Content update**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Risks and Threats **19.5.10 – Content update**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Risks and Threats **19.5.11 – Content update**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Rationale & Controls **19.5.24.C.07 – Content update**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Rationale & Controls **19.5.25.C.01 – Content update**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Rationale & Controls **19.5.27.R.01 – Content update**

(Paragraph) Chapter 19. Gateway security : Section 19.5. Session Border Controllers : SubSection Rationale & Controls **19.5.27.C.06 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.2. Data Import and Export : SubSection Rationale & Controls **20.2.10.C.01 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.8.R.01 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.8.C.01 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.9.C.01 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.11.C.01 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.11.C.02 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.12.C.01 – Content update**

(Paragraph) Chapter 20. Data management : Section 20.3. Content Filtering : SubSection Rationale & Controls **20.3.12.C.02 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.1. Agency-owned Mobile Devices : SubSection Context **21.1.3 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 21. Working Off-Site : Section 21.1. Agency-owned Mobile Devices : SubSection Rationale & Controls **21.1.13.R.01 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.1. Agency-owned Mobile Devices : SubSection Rationale & Controls **21.1.13.R.02 – NEW Rationale**

(Paragraph) Chapter 21. Working Off-Site : Section 21.1. Agency-owned Mobile Devices : SubSection Rationale & Controls **21.1.13.R.03 – NEW Rationale**

(Paragraph) Chapter 21. Working Off-Site : Section 21.1. Agency-owned Mobile Devices : SubSection Rationale & Controls **21.1.13.C.01 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.1. Agency-owned Mobile Devices : SubSection Rationale & Controls **21.1.13.C.03 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.2. Working Outside the Office : SubSection Context **21.2.3 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 21. Working Off-Site : Section 21.2. Working Outside the Office : SubSection Rationale & Controls **21.2.7.C.02 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.2. Working Outside the Office : SubSection Rationale & Controls **21.2.13.R.01 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.2. Working Outside the Office : SubSection Rationale & Controls **21.2.13.C.01 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.3. Working From Home : SubSection Context **21.3.4 – NEW paragraph**

(Paragraph) Chapter 21. Working Off-Site : Section 21.3. Working From Home : SubSection Context **21.3.5 – NEW paragraph**

***NUMBERING changes occur**

(Paragraph) Chapter 21. Working Off-Site : Section 21.3. Working From Home : SubSection Rationale & Controls **21.3.6.R.02 – NEW Rationale**

(Paragraph) Chapter 21. Working Off-Site : Section 21.3. Working From Home : SubSection Rationale & Controls **21.3.7.R.02 – NEW Rationale**

(Paragraph) Chapter 21. Working Off-Site : Section 21.4. Non-Agency Owned Devices and Bring Your Own Device (BYOD) : SubSection Rationale & Controls **21.4.10.C.016 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.4. Non-Agency Owned Devices and Bring Your Own Device (BYOD) : SubSection Rationale & Controls **21.4.11.C.04 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.4. Non-Agency Owned Devices and Bring Your Own Device (BYOD) : SubSection Rationale & Controls **21.4.11.C.012 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.4. Non-Agency Owned Devices and Bring Your Own Device (BYOD) : SubSection Rationale & Controls **21.4.11.C.013 – Content update**

(Paragraph) Chapter 21. Working Off-Site : Section 21.4. Non-Agency Owned Devices and Bring Your Own Device (BYOD) : SubSection Rationale & Controls **21.4.12.C.02 – Content update**
